“ Sue and I were high school friends. We had many wonderful times. Last time I saw Sue she came to Montana where I live and we spent a weekend at an outdoor concert and many day's hiking. We kept in touch through cards and fb. She will be missed. My prayers are with her family . With love and sadness, Robin Lammers

“ I will treasure the fond memories spent in Three Rivers with Sue. She and I raised our children in the same neighborhood. Sue and I volunteered at the local elementary school. Sue always loved and cared for her children but also had time for any child in need. She was a true friend. She now has her next important job, that of an angel making sure her children and grandchildren are watched over
