“ Mom, you were an exquisite woman. Your heart was always full of love to see the good in people. You'd always say, "No matter what, be nice and do the right thing. God is watching you."❤️. Your faith was so strong and unshakable and did not go unnoticed by your children. You were such a brave woman and full of wisdom always. I know in my heart you are truly a special woman; chosen. I'm so honored to be your daughter. I'm so blessed because of you. Although I hurt and it's so deep, I hear the wonderful things you've shared with me; tears, joy, laughter. I'm going to miss making you laugh. You were the only one that laughed at my jokes. No one gets it more than you did. I know you are in the heavenly plain and you're having a blast with your family.

Thank you so much for your time with us mom. You will be greatly missed by your children, grandchildren and great-grandkids who adore you🌺 Until we meet again! You are "my hero"💕 Hu Guiaya Hao my beautiful Chamorrita, my best friend❤️
