

## Thomas Carrillo

November 15, 1934 - July 20, 2018

Thomas Carrillo, 83, of Benicia passed away Friday, July 20th at home following a brief illness. Thomas worked as a machinist for more than 35 years, most of those with Chevron Research and Development before retiring in 1995.

Thomas was an avid reader, especially fond of mathematics and electronics. He was an enthusiastic Ham Radio operator and loved hiking, fishing, camping and bicycling, as well as going for adventurous car rides. He will be remembered as an advocate for children.
