“ *Ginni was very brave these last months facing serious illness. She will be missed. She was kind and appreciative of friendships and family. She lit up a room when she entered. Those of us in Michigan are so sorry we cannot be there in person to celebrate her life. Tom and Fran how wonderful you rushed to be at Ginni's side to help her make her final journey. May her memory be eternal. With love, Dick, Joan, Cathy and girls.*

“ *Its amazing how one person could have such a wealth of talent. Decorating, cooking, sewing, painting, sculpting, to name a few. She was always willing to help someone solve a problem. She didn't know the meaning of the word "No". Countless people benefited from her thoughtfulness. Ginni will be missed dearly!*
