“ *Dear Joan and Family,
We wanted to express our deep sorrow in the loss of your husband.
When we immigrated from Argentina in 1964 with our daughter to
the United States "Bill Bailey" was one of the first people we met
and will always treasure the friendship and warmth shown by you
and Bill. My husband Alberto (deceased) and myself were nephew
and niece to Danny Ludwig.*

*Please know you are in our prayers in your time of need, find peace
and solitude knowing Bill was a wonderful soul.*

With the Lord's blessings,

“ Dearest Joan and family, My father, Daniel Ludwig, was Bill's best friend. Mr. Bailey was such a loving, helpful, smart, funny man. When we first came to this country in 1956, Mr. Bailey was one of the first people we met. He helped us integrate into becoming U.S. Citizens. Both he and his wonderful and loving wife, Joan, will be forever in our debt because they loved us, helped us, and made many, many fond memories that I hold dear. (trips to Yosemite and other wonderful camping trips in nature, our first dog from one of their dog's litter pippi pooh, and many more wonderful experiences). I love Mr. Bailey and always will. The depth of my love is the same I hold for my father, Daniel Ludwig, and I will miss Mr. Bailey very much.

The loss of Mr. Bailey is profound. The world is a better place because of him.

*Love,
Doris Ludwig-Lake and family
