“ R.I.P Uncle Willie. 😭 Always remembered and never forgotten. I was just talking to Don about all about all the 49ner games you had at your house in the 80s. It was always fun to be at your houses wherever you lived. ILL never forget the potatoe chip chair , I always wanted to sit on when we were at your house. And of course the trips you took us on when we were young. Love always your niece Amy💔 I always loved this picture of you uncle Willie. May you rest in peace uncle. ☐
