“ I remember

*-he was always there(Benicia Plumbing ) in the morning with a smile and coffee ready. If i was late he greeted me with a smile and a “good afternoon”!*

*- we went to weight watchers together and lost a lot of pounds only to find them later!*

*-he was a good country western dancer*

*- his love for his family - he always wanted to be sure Leeann and I had a safe vehicle to drive in when she and I took trips together.*

*- I remember he was kind and generous and gave the best hugs ever.*

*He was one of my best friends whom I loved and admired. I cherish all the wonderful memories that are way too numerous to list. I am so thankful he was in my life. He will be greatly missed by many.*
