“ *We were out of town beginning with August 27. I am so glad that our neighbor saved our local newspapers.*

It sadden us to read of Bill's passing, but we wanted to share the vivid memories we have of Bill, and Sue, riding together and being such a supportive part of our Harley Owners Group (HOG) Riding Club.

He was a real contributor, and his best gift was that of being a Clown. He delighted many, adults and children, at our family events at the H-D dealership and Marine World. He really knew what made people smile and feel happy.

Bill was always available to pitch in and help. He respected his fellow motorcyclists, and he loved his Harley !!!

Our prayers are sent your way. Bill had an admirable life and we were proud to know him.
