“ *Dear Vicki & Larry, Spouses, & Family, May I convey my deepest condolences to each of you in the passing of our beloved Wilma. I always have had such fond memories of her. She always was so sweet, kind, and thoughtful to everyone. I remember around 1957 or so ... she always had her delicious cupcakes with heaping frosting on them waiting for us after school. What an honor to have known this precious soul given from Godnamed Wilma Johnson. May God comfort each and everyone of you. Charlene Heikka Nelson*
