“ Wyn Dean's life will always be my inspiration. This woman was made of true grit. One of my favorite memories was seeing her at the Mark Hopkins Hotel in San Francisco for Haley's 21st birthday. I marveled at the courage it took for her to navigate the double black diamond hills of San Francisco in her van, then how she managed to make it to the "Top of the Mark," all by herself. When I saw her come through the elevator doors on the 19th floor, my heart beamed and I was grinning from ear-to-ear. Her presence capped off an incredible evening of celebration.

I had a chance to text Wyn right before she passed away. I wrote: "you are a warrior goddess." In typical Winifred fashion, she deflected the attention. She wrote me back. "So are you." That's one text I'll always treasure.

So I raise my glass of champagne to Winifred, "I honor you and the inspiration you brought to our lives. You'll be missed, but your memory will remain forever in our hearts."

“ *To the Hart family,*

Sad to hear the news that Winnie passed away. I remember her well from our younger years. I was in her class at St. Cecilia's and Lincoln. What a sweet girl she was, her wonderful smile, and kind, friendly personality. I remember all of you and what a good family you were, and still are. I'm sorry for your loss and hope that you all start to feel better in awhile, and that all is well.

Deepest sympathies,

Jim Scannell and family
